

YASEMIN SUNTER EVREN

Satın Alma Müdürü

Hakkımda

Procurement, Sourcing and External Supply Operations Executive with 23 years experience in both local and multinational Holding Companies. Result oriented and enthusiastic key negotiator for complex and high value sourcing projects. Strong focus and performance in market analysis, identifying new opportunities, managing Capital Expenditure, Project Budget, Operating Costs and Key Performance Indicators (Cost Reduction & Avoidance, Payment Term Extension, Advanced e-Sourcing Tools etc). My aim is actively sourcing products and services for operations at the right time by ethical and sustainable manner.

İş Deneyimi
