Operasyon Yöneticisi

## Hakkımda

As an Operations Specialist, my role is to streamline daily operations to increase overall productivity and reduce challenges. This includes planning logistics, allocating resources and ensuring all operational tasks are aligned with business objectives. Through continuous analysis of process data, I discover opportunities for improvement and implement plans that increase output while reducing costs. In addition, I collaborate directly with department leaders to guarantee smooth teamwork and communication, fostering an innovative and accountable culture. My goal is to create an atmosphere that facilitates smooth operations, enabling the business to achieve its goals and grow efficiently.
